THE ANNUAL REPORT

OF THE TALUKA OF

WALA MULU SURAG OF JETPUR

FOR THE YEAR 1910-11.

CHAPTER I.

134832

GENERAL AND POLITICAL.

The area of this Taluka is about 35 square miles. The population of Suang villages is 7,362 and the average gross revenues of this Taluka is Rs. 90,000.

2. The tribute payable by this Taluka is as follows :—

Government Tribute.....	Rs. 5057-8-0
Gackwar's Tribute.	Rs. 1489-4-6
Junagadh Jortalbi.	Rs. 523-4-0
Total	Rs. 7070-0-6

3 The Chief, Wala Mulu Surag by name is a Kathi by caste, is 40 years old, and enjoys a fourth class jurisdiction. He has hitherto no heir either natural or adopted. He has married three wives.

4. The election of Durbar Shree Wala Mulu Surag in general election by the Talukdars of Jetpur as member of the Jetpur Taluka Court in place of Azam Wala Godad Punja the deceased, is an event of importance that has occurred during the year under report.

5. Mr. Bhikaji Ratanji Patel still continues to act as Karbhari (vide Appendix I.)

CHAPTER II.

ADMINISTRATION OF LAND.

The System of Land Revenue is the Bhagbatai System and not the Bighoti. Inspite of some drawbacks the Bhagbatai System is found to be better suited for small Talukas as it is more elastic than the Bighoti System.

2. With the exception of Gir land there is very little culturable waste land in the Taluka. The land in the Gir is being carefully preserved for forest. There were no alienations or boundary settlements during the year.

3. The total rainfall was 32 In. 53 Cts. this year. We expected very good crops in the beginning but owing to abnormal untimely rain during the first portion of the monsoon and not having normal rainfall in the concluding portion of the rainy season Rubi and Khari crops did not turn out according to our expectations and the last syclone has greatly told upon the last collection of cotton. However there was no want of work for the labouring classes and consequently no famine programme was necessary.

4. As the year was fairly good no noticeable variations had to be made in the demand and collection of revenue. We have been able to recover our Revenue without any remission.

CHAPTER III.

Protection and Legislation.

The laws inforce in the British territory for Civil and Criminal Justice are adopted in this Taluka together with the law of Limitation obtaining in the Kathiawar Agency and also Registration Rules as well as the Hunting laws framed by the Taluka (vide Appendix II.)

2. Military Force.—There is no military force in this Taluka (vide Appendix III).

3. Police.—The number of regular Police including six swars and one Nayak is 15. The police are employed as jail guards in Nanapithadia and swars in miscellaneous Durbari work. They are armed with old muzzle loading rifles and carbines available ; in addition to the above and for the purpose of keeping order the Taluka employs 15 police patels and 80 pasaetas or village police and 104 men as Sirbandhi varying according to requirements. These men are likewise employed in Revenue work and the number has hitherto been found sufficient for the preservation of order and for the detection of crimes. The total cost of police is Rs. 2568 and the cost of salaries of 3 Fouzdar is Rs 900 thus making a total of Rs. 3468. The ratio of police including the regular police, village police and sirbandhi to population is 2·9 per one hundred and 6 2 per square mile.

4. Statistics have been given in a tabulated form (vide Appendices V, VI, VII.)

5. CRIMINAL JUSTICE :—This Taluka possesses one subordinate Court and one Huzur Court ; the suborbinate Court is called the Nyayabhish Court and is presided over by the Nyayadhish who has pawers of a First Class Magistrate and is also a committing Magistrate. The Hazur Court is the appellate Court. The work performed by the Court of the Nyayadhish as well as by the Hazur Court is shown in Appendices VIII, IX. Two appeals were filed during the year under report against the decisions of the subordinate Court and all were disposed of.

6. CIVIL JUSTICE :—The subordinate Court is also invested with jurisdiction to hear civil suits upto the value of Rs. 5,000. Appeals lie from that Court to the Hazur Court which holds also original Civil Jurisdiction upto Rs. 10,000.

7. The number of suits filed and disposed of by the Court of the Nyayadhish as well as by the Hazur Court and the average duration of suits and execution of decrees &c., is shown in the tabulated form in Appendices X and XI.

8. No original suit was filed or execution of decrees applied for in the Hazur Court during the year under report. No appeal was presented in the Hazur Court against the decision of the subordinate Court this year (Appendix XII.)

9. There was no suit for the landed property filed in the Court of the Nyayadhish. 7 Monetary suits were filed in his Court during the year. During the previous year there were 15 suits. Thus there is a decrease of 8 in the number of suits this year. The decrease is due to the fact that people try to avoid costly litigation as far as they can and only take this course as a last resort when there is no chance of a private compromise for their dues.

10. EXTRADITION.—There was no demand from this Taluka on this account this year. A Brahmin by name Bhagvan Jadav was arrested at Wandalia a village of this Taluka for having committed an offence of theft at Kariana under Babra and was handed over to the Thandar of Babra through the intervention of the Agency.

11. There is only one jail in the Taluka which is situated at Nanapithadia. The statistics regarding it are herewith appended (vide Appendix XIII.) The health, general condition and the treatment of prisoners have continued to be satisfactory and require no remarks.

12. REGISTRATION :—Registration Rules have been framed and published but no documents have been presented for registration and therefore no income has been realized from that source in the year under report (vide Appendices XIV, XV.)

13. MUNICIPAL ADMINISTRATION.—There is no municipality in any of the Swang villages of this Taluka (vide Appendix XVI.) There are however municipalities at Jetpur Chital and Mendarda. Those of Jetpur and Chital are managed by the Taluka Court and the one at Mendarda by the shareholders themselves ; all are maintained at the joint cost of shareholders.

CHAPTER IV.

PRODUCTION AND DISTRIBUTION.

I. (*a*). The rainfall during the year was 32 In. 53 Cts. (vide Appendix XVII but as shown in para 3 of Chapter II of this report Rubi and Khari crops did not turn out according to our expectations but owing to high rates in cotton and good produce of sesamum the annual gross income comes to 14 annas in a rupee.

(*b*) The Wages of labourers, males females and children, are annas 5, 3 and 2½ respectively. The prices of food grains are given in Appendix XVIII.

(*c*) There is only one forest in the Gir portion of the Mendarda District and care is taken to preserve it.

(*d*) The chief articles of trade are food grains and cotton. There are no manufactures to speak of. A little cotton is woven by the poor but it is mostly for the home consumption.

(*e*). Rupees 5,000 have been spent on public works such as Trunk Road Repairs, houses for cultivators and Uttaras for Durbari servants and State guests, in the year under report (vide Appendix XIX.)

(*f*) There are no post offices in any of the suang villages of this Taluka but there are letter boxes kept at Samadhiala, Vandalia, Valardi, and Nana Pithadia.

(*g*) There is no mint in this Taluka.

(*h*) The general condition of this Taluka and its people is good. There was no need of starting Relief Works in the year under report.

II. The rates of food grains are moderate. Inspite of this the wages for labourers have gone high on account of their great demands. The condition of agriculture and agricultural stock is good (vide Appendix XX).

III. The sale of Liquor and other intoxicating drug is prohibited in this Taluka and hence there is no income (vide Appendix XXI.) The

contract for the sale of narcotics especially opium and ganja is given for the whole of Jetpur Taluka by the Jetpur Taluka Court on behalf of all the shareholders of Jetpur and the income derived from that source is divided in proportion of their respective shares in the Taluka.

CHAPTER V.

REVENUE AND FINANCE.

The average annual income of this Taluke is about Rs. 90,000 The actual receipt and expenditure for the year under report is given in Appendix XXII. The chief has been fortunate enough inasmuchas he has been able to administer the Taluka without contracting any debt for the purpose.

CHAPTER VI.

There is no hospital or dispensary in any of the suang villages of this Taluka (vide Appendix XXIII). But there are dispensaries at Jetpur and Chital managed by the Taluka Court and one at Mendarda managed by the shareholders themselves. They are maintained at the joint expenses of the shareholders and this Taluka pays its own share. In the previous year there were 262 births and 174 deaths while during the year under report there were 270 births and 167 deaths. Thus it shows an increase of 8 in births and decrease of 7 in deaths.

2. The birth and death rates of this year are respectively 36·6 and 22·6 while those of the previous year were 38·9 and 25·8 per thousand (vide Appendix XXIV).

3. Birth and Death Registers are kept in all villages of this Taluka by the Police Patels and monthly returns are submitted to the Political Agent, Sorath Prant, through the Court of the Nyayadhish. No separate establishment is found necessary for this purpose and therefore there is no separate item of expenditure on account of the same.

4. The number of children vaccinated during the previous year was 261 (142 boys and 119 girls) while the number vaccinated during the year under report is 177 (92 boys and 85 girls).

5. PLAGUE—There is no out-break of plague this year in the suang villages of this Taluka.

CHAPTER VII.

EDUCATION.

A number of Schools is maintained in the joint towns and villages under

the supervision of the Taluka Court and this Taluka has to pay the costs of maintaining them in proportion to its share. The stastics of these will be supplied by the Taluka Court.

CHAPTER VIII.

There is no printing press or Library in any of the suang villages of this Taluka But there is a Library at Jetpur known as the Russel Library which is maintained at the joint costs of all the shareholders of Jetpur and this Taluka pays its share of the expenses.

THE ANNUAL REPORT OF

THE TALUKA OF

D. S. WALA MULU SURAG

OF JETPUR.

For the year 1911-12 St. 1967-68.

CHAPTER I

GENERAL & POLITICAL.

The area of this Taluka is about 35 sq. miles. The population of the Swang villages according to the last census is 7,632 souls and the average gross revenue of the Taluka is Rs. 90,000.

2. The tribute payable by this Taluka is as follows :—

Government Tribute	5057-8-0.
Gaekwar's Tribute	1489-4-6.
Junagadh's Jhortalbi.....	523-4-0.
	7070-0-6.

3. The Chief Wala Mulu Surag by name is a Kathi by caste, is 41 years old, and enjoys the Fourth Class Jurisdiction. He has hitherto no heir either natural or adopted. He has had 3 wives and has married one more during this year.

4. This year will form a prominent land mark in the annals of India. Twelfth December of 1911 will be engraved in letters of gold in the pages of History. On that day His Majesty George V King Emperor surrounded by his loyal Indian subjects, ascended in person, the throne of his ancestors, in Delhi. Their Majesties have, by their august presence in India, strengthened the links of the golden chain joining India with the Empire, upon which it is said and justly said too—that the sun never sets. Long

Their Majesties !

5. On December 12, the Proclamation intimating the coronation of His Majesty at Delhi, was read in all the Swang villages of this Taluka amidst loyal enthusiasm. The occasion was celebrated with great pomp and ceremony. The poor were feasted and sweatmeats were distributed to young boys and girls. In Pithadia the day ended with illumination and a play of fireworks.

6. During the previous year, the Darbar Saheb was elected a member of the Jetpur Taluka Court by the Shareholders of Jetpur. The people of Jetpur have since been perfectly satisfied by the selection. The Political Agent Sorath has also been satisfied with the work done by the Darbar Saheb with tact and zeal.

7. The marriage of Darbar Saheb with Bai Shree Sumribai, daughter of Jebalia Nag Hamir of Chhodavdi was performed with great eclat in the last month i. e. the month of March (1912).

6. As Mr. Jivanlal H. Nanavaty was appointed Karbhari on the 16th March 1912. Dr. B. R. Patel, the acting Karbhari was relieved of his duties of the Acting one. (Vide Appendix I).

9. An amicable settlement of a dispute of long standing with Junagadh State re-the Sakhpur case was arrived at during this year and thus a very costly litigation has happily been brought to end. Here it may be mentioned that the settlement would not have been so soon arrived at if it had not been for the innate courtesy and fairness of Mr. L. Robertson I. C. S. the Administrator Junagadh State, to whom most cordial thanks are due for the same.

10. Another dispute about allowing the use of the temple at Medarda with Taluke Thana Devli was, with a desire to avoid litigation also amicably settled.

11. In other two disputes with Taluke ThanaDevli, of which appeals were lying before the Agent to the Governor, Mr. J. H. Nanavaty was appointed arbitrator by this Taluka and by Taluka ThanaDevli. He heard both the parties but before he could pronounce his decision he was appointed Kamdar, in this Taluka. Now it has been resolved to consult Azam Laxman Wala and if he is agreeable, to settle the very trivial differences amicably. Jhinjhuda-Khodiar boundary dispute and Chital Samadhiala exchange matter with Thanadevli Taluka are also to be subjected to the same process.

12. Census calculations were finished during this year and they show an increase of 9·4 p. c. in the population of this Taluka.

CHAPTER II

ADMINISTRATION OF LAND.

The system of Land Revenue in this Taluka is the Bhagbatai system aud not the Bighoti.

2. With the exception of Gir land there is very little culturable land unoccupied in this Taluka. The greater portion of the land in the Gir is being carefully preserved for forest purposes.

3. There were no alienations of land or settlement of boundary during this year.

4. The average of the total Rainfall was 32·53 during St. 1967. But unfortunately it was not so during the St. year 1968. It measured only 10·5 and that also not equally distributed. The cry of no, or insufficient rain prevailed everywhere in Chital and Jetpur Divisions, and consequently the agricultural outlook was greatly disappointing with regard to kharif crops in those parts. Fortunately there was a second timely dowafall in the villages of Medarda division and thus they have yielded fair crops. Rubi crops however did not turn out according to our expectations in the whole of the Taluka owing to scantiness of water in wells. A famine programme has been prepared to provide relief works for labouring classes. But as they hitherto get higher wages on local works no one comes forward to work at famine rates.

5. As shown above this year being a year of scarcity in greater part of this Taluka the recovery of cash levies has had to be suspended in proportion to the produce of each individual cultivator.

CHAPTER III

PROTECTION AND LEGISLATION.

The laws in force in British India for civil and criminal justice are adopted in this Taluka together with the Law of Limitation obtaining in the Kathiawar Agency, and also Registration Rules as well as the Hunting Law framed by this Taluka. (Vide App II.)

2. *Military force:*—There is no military force in this Taluka. (Vide App. III).

3. *Police:*—The number of regular police including 3 sowars, one Hawaldar and one Nayak is 13. The Police are employed as jail guards in Nana Pithadia and sowars in miscellaneous Darbari work. They are

armed with old muzzle loading rifles and carbines. In addition to the above for the purpose of keeping order the Taluka employs 15 Police Patels and 80 Pasaitas or villge police and 110 men as sibandi varying according to requirements. These men are employed in Revenue work and the number has hitherto been found sufficient for the preservation of order and peace and for the detection of crimes. The cost of Police is Rs. 1848–0–0 and the pay of two Fouzdars is Rs. 540–0–0, thus making the total Rs. 2388–0–0 (Vide App. IV) The ratio of police including the village police and sibandi to population is 2·9 per hundred and 6·2 per sq. mile. Statistics of the work done by the Police are given in a tabulated form (Vide App. V. VI. VII.)

4. *Criminal Justice:*—This Taluka possesses one subordinate Court and one Huzoor Court; the subordinate Court is called the Nyayadhish court and is presided over by a Nyayadhish who is invested with the powers of a First class Magistrate. He is also a committing Magistrate. The Huzoor Court is the Appellate Court of the Taluka. The work performed by the Nyayadhish court as well as by the Huzoor Court during the year under report is shown in App. VIII, IX. One appeal was filed during the year in the Huzoor Court against the decision of the subordinate court and was disposed of.

5. *Civil Justice:*—The subordinate court i. e. the Nyayadhish court is also empowered to hear civil suits upto the value of Rs. 5000. Appeals lie against the decisions of that court to the Huzoor Court which exercises the original jurisdiction to hear civil suits upto the value of Rs. 10,000.

6. The number of suits filed in an disposed of by the Nyayadhish court as well as the Huzoor Court and the average duration of suits and of the applications for the Execution of decrees are shown in App. X. XI. No original suit was field or execution of decree applied for, in the Huzoor Court in the year under report.

7. No appeal was presented in the Huzur Court against the decision of the Nyayadhish court during this year (Vide App. XII.)

8. There was no suit for the landed property field in the Nyayadhish Court but 8 monetary suits were filed in that court, during this year while there were 7 suits filed during the previous year. There is no appreciable increase and hence no explanation is necessary.

9. *Extradition:*—The following persons were surrendered to the Nyayadhish court of this Taluka for trial during the year under report through the intervention of the Agency.

A (1) Koli Nathu Jhina and Koli Jhina Naran of Babra on a charge of theft under S. 379 I. P. C.

(2) Koli Jiva Beejal of Jetpur charged under ss. 380-114 and 498 I. P. C.

(3) Wala Alag Uka and Najar Mahmed Hebtan of Hajani Pipalia charged under Sec. 392 I. P. C.

B. In the same way Dhedhs Jetha Harsur and Teja Ram of Valardi a village of this Taluka were handed over to Taluka Thana-devli for trial under ss. 411 and 457 I. P. C.

10. There is only one jail in this Taluka which is located in Nana Pithadia. The statistics regarding it are herewith appended (Vide App. XIII.) The health, general condition and the treatment of prisoners have continued to be satisfactory and require no remarks.

11. *Registration*:—Registration Rules have been framed and published by this Taluka but no documents having been presented for Registration no income has been realised from that source during the year under report (Vide App. XIV XV).

12. *Municipal Administration*:—There is no municipality in any of the Swang villages of this Taluka (vide App. XVI).

There are however Municipalities at Jetpur, Chital and Mendarda. Out of these, the municipalities of Jetpur and Chital are managed by the Jetpur Taluka Court and the one at Mendarda by the Thandar on behalf of the Shareholders, with their concurrence, and all the three are maintained at the joint expenses of the Shareholders.

CHAPTER IV

GENERAL CONDITIONS.

The rainfall during St. 1967 was 32·53 and during St. 1968 was 10·5. (Vide App. XVII).

2. General condition of the people in this Taluka during the year was satisfactory. In the beginning of the year (St. 1968) the situation had become a little serious on account of paucity of rain. But with the timely help of the Darbar Saheb suffering had been greatly alleviated. Tagavi was freely given to the cultivators to tide over the difficulties. Grass was also given to them to keep up their wealth i. e. their bullocks and other cattle. Money was also given to them for buying Kos and Varat, so that they could produce irrigated crops such as rajko, Jara and Indian corn,

as forage for their cattle. It has as yet not been found necessary to open relief-works because as mentioned in para 3 of Chapter II people do not come to work at famine rates ; yet the work of sinking new wells and deepening and silting old ones has been taken in hand and market wages have to be given in the execution of these works. Starting of these works in time has naturally averted many hardships attendant upon the periods of scarcity. Memories of the famine of the year of 1900-01 are still fresh and unfaded, the people have not still been able to overcome the dire effects of that dreadful famine and to recoup their impoverished resources ; when it has pleased Almighty to inflict again upon the people innumerable sufferings accompanying and following upon the years of famine. With the exemplary fortitude of the people and liberal help of the Chief, this Taluka has hitherto been able to successfully face these hardships. May God give us strength and patience to bear with the difficulties of the remaining part of the year !

3. The chief artieles of trade are food-grains and cotton. There are no manufactures to speak of. A little cotton is woven by the poor but it is mostly for home consumption. The prices of food grains are given in App. XVIII.

4. Five thousand rupees have been spent on public works such as trunk-road repairs and repairs and additions to the Darbar buildings &c. during the year under report (vide App. XIX).

The wages of labourers male, female and children are annas 5,3 and 2½ respectively. The wages have not gone low on account of great demand on local works and on account of high rates of food grains.

5. The condition of agriculture and agricultural stock is good and this condition has been throughout the year maintained with the liberal help of the Chief. The number of agricultural stock is shown in Appendix XX.

CHAPTER V

REVENUE & FINANCE.

1. The sale of liquor and other intoxicating drugs is prohibited in the Taluka and hence there is no income from that source (vide App.XXI) The contract for the sale of narcotics, especially opium and ganja is given for the whole of the Jetpur Taluka by the Jetpur Taluka Court on behalf of all the Shareholders of Jetpur and the income derived from that

source is divided amongst the Jetpur Shareholders in proportion to their respective shares in the Taluka.

2. There is one forest in the Gir and care is taken to preserve it. The sale of the wood and grass from the Gir brings a good income to the Taluka.

3. The Taluka also has a two-anna share in the capital of the J.R. Railway.

4. The rainfall during the St. 1967 being 32 inches and 53 cents, Kharif and Rubi crops except cotton turned out to be normal and the annual gross income realised amounted to more than 14 annas in a rupee and owing to high prices of cotton &c. the total income amounted to more than even the average income. The average annual income of this Taluka is about 90,000 rupees. The income of this year is more than average and that is one to high rates of food grains and til and cotton. The actual receipt and expenditure for the year under report are given in App, XXII.

5. It will thus appear that the Taluka is financially in a prosperous condition.

CHAPTER VI

MEDICAL AID & VITAL STATISTICS.

There is no hospital or dispensary in any of the Swang villages of this Taluka (vide App. XXIII). Dr. B. R. Patel who is the family doctor to the Chief treats people of Pithadia gratis with the help of Darbar Saheb.

2. There are dispensaries at Jetpur and Chital managed by the Taluka Court and one at Mendarda managed by the Shareholders themselves. They are maintained at the joint expenses of the Shareholders and this Taluka pays its share of the expenses.

3. In the year under report there were 278 births and 127 deaths while in the previous year there were 270 births and 167 deaths. Thus there is an increase of 8 in births and decrease of 38 in deaths. The birth and death rates of this year are respectively 39·2 and 17·5, while those of the previous year were 36·6 and 22·6 per thousand (vide App. XXIV). Birth and death registers are kept in all villages of this Taluka by the Police Patels and a monthly return is submitted to the Political Agent Sorath Prant from the Nyayadhish Court of this Taluka.

As no separate establishment is found to be necessary for this purpose, there is no separate item of expenditure on account of the same.

4. The number of children vaccinated during the year under report is 269 (135 boys and 134 girls) while the number vaccinated during the previous year was 177 (92 boys and 85 girls).

5. *Plague*—There was no outbreak of Plague during the year in any of the Swang villages of the Taluka.

CHAPTER VII

EDUCATION.

There is no school in any of the Swang villages of the Taluka (vide App. XXV). But a number of schools is maintained in the Majmu (joint) towns and villages under the supervision of the Jetpur Taluka Court and this Taluka pays its quota towards it in proportion to its share in the Taluka. The statistics of these schools are supplied by the Taluka Court.

CHAPTER VIII

MISCELLANEOUS.

There is no printing press or Library in any of the Swang villages of this Taluka. But there is a Library named the Russel Library, at Jetpur which is maintained at the joint expense of all the Shareholders of Jetpur and this Taluka pays its quota of the expenses.

(2). There is no mint in this Taluka.

(3). There is no post office in any of the Swang villages of this Taluka but letter-boxes are kept at Samadhiala, Wandalia and Nana Pithadia.

THE ANNUAL ADMINISTRATION REPORT OF

THE TALUKA OF

D. S. WALA MULU SURAG

OF JETPUR.

for the year 1912-13 St. 1968-69.

CHAPTER I

GENERAL & POLITICAL.

The area of this Taluka is about 35 square miles. The population of the Swang villages of this Taluka according to the last census of 1911 is 7362 souls and the average gross Revenue of this Taluka is Rs 90,000.

2. The tribute payable by this Taluka is as follows:—

Government Tribute	...	...	5057-8-0
Gaekwar's Tribute	...	...	1489-4-0
Junagadh Jhortalbi	...	...	523-4-0
			7070-0-0

The Chief Wala Mulu Surag by name is a Kathi by caste, is 42 years old and enjoys a fourth class jurisdiction. He has hitherto no heir either natural or adopted. He has had 4 wives including one married last year.

4. During the year under report the most dastardly attack committed by a ruffian against our popular and worthy Viceroy horrified the whole of India and a strong sense of detestation and horror was expressed throughout the length and breadth of the Country, at the sad cowardly attack of violence.

A public meeting was held under the presidentship of the Durbar Saheb to express their righteous indignation.

5. A similar meeting of the Ladies of Jetpur and Pithadia was convened to vote an address to Her Excellency Lady HARDINGE for her unprecedented courage and patience at the terrible occasion Bai Shree Kamribai the eldest Rani Saheb presided and a subscription raised on the spot was forwarded to the Agent to the Governor Kathiawar.

6. A beautiful temple with a Dharamshala for the travellers was erected on the hillock commanding a good position in the name of Bai Shri Kamri Bai who is a very pious and religiously inclined lady.

7. Mr. Dwarkadas V. Patwari was appointed Deputy Karbhari and he is now in charge of the Kamdarship vice Mr. Jivanlal H. Nanavaty resigned (vide App. I).

CHAPTER II.

ADMINISTRATION OF LAND.

The system of Land Revenue is the Bhagbatai system and not the Bighoti.

2. With the exception of Gir land there is very little culturable waste in this Taluka the greater portion of the land in the Gir is being preserved for forest purposes.

3. There were no alienations of land or settlements of boundary disputes during the year under report.

4. The rainfall during the last year was only 10 Inch. 5 Cents and that also was not equally distributed and consequently the agricultural outlook was disappointing as regards the Kharif crops in Jetpur and Chital Districts. Fortunately there was a second timely rainfall in villages of Mendarda District and thus they yielded fair Kharif crops. Rubi crops also did not turn out according to our expectations owing to scantiness of water in wells. A famine programme was prepared to give relief to labouring classes but as they got local works on high wages they did not go out on relief works. Only a few labourers went to Mendarda for cutting grass and others were employed on local works of sinking new wells and deepening and silting old ones &c. Tagavi was freely given to needy cultivators with grass and money for purchasing Kos and Varat for producing grain and fodder in their Wadis. 28 wells have been sunk deepened and silted and this and other miscellaneous work have cost about 4000 Rs and the Tagavi advances have cost about 25000 Rs.

It will not be out of place to mention here that the careful personal

attention of the Durbar Saheb coupled with the handsome and liberal advances made by him to his subjects has kept their good condition as was possible and has enabled the people to tide over the difficulties without much hardships.

5. Major J. R. B. G. Carter Political Agent Sorath had visited some of the villages of our Taluka and had expressed his satisfaction towards our arrangements for supplying the wants of our subjects during the scarcity.

6. Last year having proved to be a year of scarcity the recovery of each levy in cash has had to be suspended in proportion of the produce of each individual cultivator but this year fortunately being a year of fairly good harvest the difficulty of the past year had disappeared.

CHAPTER III

PROTECTION AND LEGISLATION.

The laws in force in British India for Civil and criminal Justice are adopted in this Taluka together with the law of limitation obtaining in the Kathiawar Agency and also Registration Rules and the Hunting Law framed by this Taluka. (vide App. II.)

2. *Military Force* :—There is no military force in this Taluka. (vide App. III.)

3. *Police* :—The Regular number of Police including 3 Swars and one Nayak is 12. The Police are employed as jail guards in Nana Pithadia and Swars in miscellaneous Durbari work. They are armed with old muzzle loading rifles and carbines. In addition to the above for the purpose of keeping order the Taluka employs 15 Police Patels and 80 Pasaetas or village police and 127 men as Sibandhi varying according to requirements. These men are employed in Revenue work and the number has hitherto been found sufficient for the preservation of peace and order and for the detection of crimes. The cost of Police is Rs. 1668-0-0 and the pay of two Fouzdars is Rs 660-0-0 thus making a total of Rs 2328-0-0 (vide App. IV.) The ratio of police including the village Police and Sibandhi to population is is 3·1 per hundred and 6·6 per square mile. Statistics of the work done by the police are given in a tabulated form (vide Appendices V, VI, VII.)

4. *Criminal Justice* :—This Taluka possesses one subordinate Court and one Huzur Court. The subordinate Court is called the Nyayadhish Court and is presided over by the Nyayadhish who is invested with the powers of a first class Magistrate. He is also a committing Magistrate.

The Hazur Court is the appellate Court of this Taluka. The work performed by the Nyayadhish Court as well as by the Hazur Court during the year under report is shown in App. VIII and IX.

No appeal was filed in the Huzur Court against the decision of the subordinate Court during the year under report.

5. *Civil Justice*:—The subordinate Court *i. e.* the Nyayadhish Court is also empowered to hear suits upto the value of Rs 5000. Appeals lie against the decision of that Court to the Huzur Court which exercises the original jurisdiction to hear civil suits upto the value of Rs 10,000.

6. The number of suits filed in and disposed of by the Nyayadhish Court as well as by the Hazur Court and the average duration of suits and of the applications for the execution of decrees are shown in App. X and XI. No original suit was filed or execution of decree applied for in the Huzur Court during the year under report.

7. No appeal was presented in the Huzur Court during this year (vide App. XII)

8. There was no suit for the landed property but 11 monetary suits and one suit for the specific performance of conjugal rights were filed during this year while only 8 suits were filed during the previous year. There is no appreciable increase and hence no explanation is necessary.

9. *Extradition*:—The following persons were surrendered to the Nyayadhish Court of this Taluka for trial during the year under report through the intervention of the Agency.

A (1) Khant Tida Hira of Seluka under Junagadh charged under S. 354 I. P. C.

THE ANNUAL REPORT OF

THE TALUKA OF

D. S. WALA MULU SURAG

OF JETPUR.

For the year 1913-14-St 1969-70.

CHAPTER I

GENERAL & POLITICAL.

The area of this Taluka is about 35 square miles. It has now in all 19 Suang villages and joint shares in other 7 villages. The population of the Suang villages of this Taluka according to the last census of 1911 is 7362 souls, and the average gross Revenue of this Taluka is Rs. 1,00,000.

2. The tribute payable by this Taluka is as follows:—(Vide App. XXI A.).

Government Tribute	5057-8-0.
Gaekwar's Tribute	1489-4-6.
Junagadh Jhortalbi	523-4-0.

3 The Chief Wala Mulu Surag by name is a Kathi by Caste, is 43 years old, and enjoys a fourth Class Jurisdiction. He has hitherto no heir either natural or adopted. He has four wives.

4. During the year under report the most important events that have marked this year are as follows:—

(a) D. S. Mulu Wala visited some of the well known places of pilgrimage such as Mathura, Allahabad, Benaras, Ajodhia, Jagannath Puri, Hardwar, Lahore and many others, accompanied by

all the female members of the family and a large retinue, and when he returned to Pithadia, the people of Jetpur and Pithadia accorded him a very hearty reception.

(b) The day of 20th June 1913 was observed as a children day, and sweetmeats were distributed to all the boys and girls of the whole Taluka and at Jetalsar Camp, where an evening party was given by this Taluka, to which Lieut. Bell and Mrs. Bell, were invited.

(c) With a view to lighten the burden on cultivators the Tagavi Loan amounting to Rs. 18000 advanced during the last famine has been very generously remitted by the Darbar Saheb.

(d) As a mark of joy, on the occasion of recovery of Mrs. Bell from a very serious illness, five scholarships each of Rs. 2 per month were founded for girls receiving education at the girl school of Jetpur.

(e) A decent sum of Rs. 3000 was subcribed to the fund opened by Major W. M. P. Wood, for the Garrasia school at Wadhwan Camp.

(f) And a sum of Rs. 1000 was contributed to the hostel opened by Captain A. S. Meek for the Kathi boys at Babra.

[g] The case pending before the Agency for the last 35 years regarding exchange of lands of Samadhiala and Chital with D. S. Laxmanwala, of Thana Devli which entailed a heavy cost, to both the parties, was amicably settled, in deference to the advice of Lt. Bell, in a very liberal spirit.

[h] There was another case regarding Sakhapur, with the estate of D. S. Lomawala in which the parties approached for more than four times Bombay Government at a considerable cost. This case has also been amicably settled in a similar spirit of self sacrifice.

[I] The cases of Navan—Wadi and the Bhila Bhildi Dhar between Thana Devali and this Taluka were going on, since a long time in the Agency. Both the cases were decided by the P. A. Sorath and were appealed against by both the sides. But it is submitted with great pleasure that it is owing to the liberal spirit shown by D. S. Laxman Wala that we have been able to come to an amicable settlenent in both the cases.

[j] The case of Samadhiala and Vaghania exchange which was pending since 1880 has also been settled amicably. I may be permitted to say that, D. S. Mulu Wala is highly indebted to Lt. Bell for the wholesome advice which he was kind enough to give to settle such long standing and highly contested cases amicably.

[k] Lieut. Bell paid a flying Visit to Pithadia during his stay at Jetpur.:

[l] Mr. Dwarkadas. V. Patwari who is Deputy Kamdar works as Kamdar since his appointment and is continuing as such during the year under report. (Vide. App. 1.)

CHAPTER II

ADMINISTRATION OF LAND.

The system of land Revenue is the Bhagbatai system and not the Vighoti.

2. With the exception of Gir land there is very little culturable waste in this Taluka. The greater portion of land in the Gir is being preserved for forest purposes.

3. There were no alienation of land or settlement of boundary disputes during the year under report.

4. The rainfall during the last year was 27 Inches and 22 Cents and therefore the last year was a year of good harvest and therefore no levy in cash and kind had to be remitted or suspended during the year.

In addition to the above, for the purposes of keeping order the Taluka employs 15 Police Patels and 50 Pasaitas or village Police and 119 man of Sirbandhi varying according to requirements These men are employed in Revenue work, and the number has hither to been found snfficient for the preservation of peace, and order, and for the detection of crimes, The cost of police is Rs 2196 and the pay of the two Fozdars is Rs. 660-0-0 thus making a total of Rs. 2856 [Vide App. IV.]. No appeal was filed in the Hazur Court against the decision of the subordinate Court during the year under report.

5. *Civil Justice:*—The subordinate Court *i. e.* the Nyayadhish Court is also empowered to hear suits upto the value of Rs 5000. Appeals lie against the decision of that Court to the Hazur Court which exercises the original Jurisdiction to hear civil suits upto the value of Rs 10000.

Out of these, the Municipalities of Jetpur and Chital are managed by the Jetpur Taluka Court and the one at Mendarda by the Thandar on behalf of the shareholders with their concurrence and all the three are maintained at the joint expenses of the shareholers.

CHAPTER IV

5. The condition of agriculture and agricultural stock is satisfactory. The number of agricultural stock is shown in App. XX

CHAPTER V

REVENUE & FINANCE.

The contract for the sale of narcotics especially opium and Ganja is given for the whole of Jetpur Taluka by the Jetpur Taluka Court on behalf of all the shareholders of Jetpur and the income derived from that source, is divided among the Jetpur shareholders in proportion to their respective shares in the Taluka.

2. There is one forest in the Gir and care is taken to preserve it. The sale of wood and grass from the Gir brings a good income to the Taluka;

3. This Taluka has got a two anna share in the J. R. Ry.

4. The rain fall during St. 1969 being 24 Inches 7 Cents Kharif and Rubi crops have turned out to be fair and though the low market of cotton has told upon the Revenues, a good produce of cessamum and its fair price have made up the deficiency, though the average produce may be considered at 12 annas in a rupee. The average annual income of this Taluka is about 100000 Rs. The actual receipts and expenditure for the year under report are given in App. XXII.

5. It will thus appear that the Taluka is financially in a prosperous condition.

CHAPTER VI

It has now in all 19 Suang villages, a list where of was given last year, in compliance with the instructions contained in letter No. 2508 Dated 12th May 1914, from the office of His Honour the Agent to the Governor in Kathiawar. Besides these this Taluka has joint shares or separate Patis in 7 Muzmu villages. The population of the Suang villages of this Taluka according to the last census of 1911 is 7362 souls and the average gross revenue of this Taluka is Rs. 1,00,000.

2. The tribute payable by this Taluka is as follows:— (Vide App. XXI A).

Government Tribute.	Rs.	5057-8-0.
Gaekwar's Tribute.	„	53-12-6.
Amreli Jamabandhi.	„	1435-8-0.
Junagadh Jortalbi.	„	523-4-0.
Total...	Rs.	7070-0-6.

3 The Chief Wala Mulu Surag by name is a Kathi by Caste is 44 years old and enjoys a fourth Class Jurisdiction. He has hitherto no heir either natural or adopted. He has four wives.

4 During the year under report the most important events are as follows:-

(a) In August last the British Empire declared war upon Germany and Austria, and Indian troops were sent in France &c. to fight for the Empire under the British flag and Imperial Indian Relief Fund was opened and our Darbar Saheb subscribed a sum of Rs. 1000 one thousand, to help the families of those soldiers who have gone on the batttle field to fight for the honour and prestige of the Empire.

(b) A meeting of the ladies of Jetpur was held under the presidentship of Mrs. Oldfield and Bai Shri Kamri Bai the Senior Rani Saheb subscribed a handsome amount of Rs. 250 towards the same Fund.

(c) Then during January last a meeting was held in Jetpur under the Presidentship of Major A. Oldfield Political Agent Sorath. It was a very influencial gathering of Talukdars and Gentlemen and a handsome subscription was made. Our Darbar Saheb subscribed tea, Biscuit tins &c. worth Rs. 161-4-9 to be sent to the battle field for our Indian soldiers, who stand side by side with European troops and fight there very bravely and thus maintain the heroic glory of India. This is a good augury of the success of the British Arms.

(d) D. S. Mulu Wala subscribed and paid Rs. 500 in the construction of the Gymkhana at Jetpur and a sum of Rs. 300 towards the Sorath Cricket Team.

(e) Major Oldfield Political Ageut Sorath paid a flying visit to Pithadia this year.

(h) Mr. Dwarkadas V. Patwari who is Deputy Kamdar is on leave on account of an eye disease and Mr. Popat Jesang Shah

our Revenue Adhikari acts as Deputy Kamdar during his absence. (Vide App. 1).

CHAPTER II.

ADMINISTRATION OF LAND.

The system of land Revenue is the Bhagbatai system and not the Vighoti. Tnere were 2 kinds of Levy in this Taluka. One Levy in kind and the other levy in cash which included vero and other auxiliary taxes but this levy has been this year put a stop to and it has been computed into kind levy and one half share of the produce of the winter crop is taken by the Darbar in consideration of the levies, of vaje, vero &c. and ¼th share in the irrigated crop. This system is introduced this year and it is to be seen how it works out. By this arrangement the cultivators are relieved from the difficulty of raising a loan to meet cash payment and consequently they are in a position to dispose of their crop suiting their convenience and thus saved from becoming a prey to merchants and usurers.

2. With the exception of Gir land there is very little culturable waste in this Taluka. The greater portion of land in the Gir is being preserved for forest purposes.

3. There were no alienation of land or settlement of boundary disputes during the year under report.

4. The levy in cash having been put a stop to no levy had to be remitted or suspended during the year.

CHAPTER III.

PROTECTION AND LEGISLATION.

The Laws in force in British India for Civil and Criminal Justice are adapted in this Taluka together with the Law of Limitation obtaining in the Kathiawar Agency also Registration Rules, Hunting Law and Law for prevention of cruelty to animals framed by this Taluka (Vide. App. II).

2. *Military force.* There is no Military Force in this Taluka (Vide. App. III).

3. *Police.* The number of regular police including 3 swars, one Jamadar, one Havaldar, one Nayak, with one writing constable are 15. The police are employed as Jail guards in Pithadia and swars in miscellaneous Darbari work. They are armed with old muzzle loading rifles and carbines ard are trained in drill. In addition to the above for the purposes of keeping order the Taluka employes 15 police patels and 80 pasaitas or village

police and 129 men of Sirbandhi varying according to requirements. These men are employed in Revenue work and the number has hitherto been found sufficient for the preservation of peace and order and for the detection of crimes. The cost of police is Rs. 2196 and the pay of the two Fozdars is Rs. 660-0-0 thus making a total of Rs. 2856 (Vide. App. IV). The ratio of police including the village police and Sirbandhi to population is 3.2 per hundred and 6·8 per sq. mile. Statistics of the work done by the police are given in a tabulated form (Vide App. V, VI, VII).

4 *Criminal Justice.*—This Taluka possesses one subordinate Court and one Hazur Court. The subordinate Court is called the Nyayadhish Court and is presided over by the Nyayadhish who is invested with the powers of a First Class Magistrate. He is also a committing Magistrate.
